Potentate's Message

I wish to take this opportunity of expressing to the entire Nobility my appreciation of the great honor conferred upon me by electing me your Potentate. Mere words seem inadequate to express my gratitude for this evidence of confidence and esteem, and I assure you that I will endeavor in the months to come to show by results that your confidence in me was not misplaced.

I realize fully that my success as your Potentate, which means the success of our Temple, depends upon good organization and the support and co-operation, not only of the officers and the uniformed units who give so generously of their time, but to the entire Nobility. In union there is strength!

The most important matter in which every Noble is vitally concerned, is our loss in members. There has been a loss for several years. Last year there were 637 suspensions, demits and deaths. During the same period we had 333 new members, affiliations and reinstatements, which makes a net loss of 304. Nobles, give this your serious consideration, bearing in mind that the best support that any Noble can give to his Temple is to produce candidates. This you can, and should do, thereby supplying the funds for more ceremonials, greater activity, and redound to the glory of our wonderful Temple.

There are approximately 8000 Knights Templars and 32° Masons in our jurisdictions who are eligible, but are not Shriners. Prove your loyalty to Aleppo and bring one of these good fellows into our fold.

The Shrine was founded on the principle of good fellowship, and I have long entertained a desire to promote greater friendships and better acquaintances in our Temple. Now that I have the opportunity, there will be many new social activities in Aleppo. You will find in this notice announcements of some of the coming events.

Sincerely yours in the Faith

"Dine with the Nobility"

SHRINE
GET-TOGETHER LUNCHEONS

To make our nobles better acquainted it is the purpose of your Potentate to have monthly luncheons from now on so that we can meet frequently in true Shrine spirit and break bread together. The first group of three luncheons will be held Monday, April the sixth, Friday, May the eighth, and Thursday, June the eleventh, at 12.30 o'clock, in the Hotel Statler Ballroom. There will be a short luncheon, one good short act of entertainment, and one good speaker at each of these friendly gatherings.

Noble Gaspar G. Bacon, President of the Massachusetts State Senate, has assured us that he will be at our luncheon, April 6, 1931, at which time he will give us a short address on an interesting current event.

All Shriners are invited to attend these luncheons. The cost of each is \$1.25 per person. Nobles may invite their friends who are prospective Shriners. We hope to add many new members to the roster of Aleppo Temple through the medium of these monthly luncheons.

Good fellowship is the mission of our fraternity and should the monthly luncheons be as successful as we anticipate, the nobles participating will be drawn closer together than has ever been possible heretofore.

Any member of the committee will be sincerely pleased to have your suggestions at all times and will earnestly welcome your help and co-operation in every way, to make these luncheons a success.

Yours for more friendships,

ROY A. FAYE,
Potentate.

Recorder's Page

Our Illustrious Potentate did not hesitate a second after his election to throw the "old machine into high."

In addition to the January meeting already held, he has made arrangements for two spring ceremonials. The one announced by this notice and one to be held on May 29, 1931. With more to come.

He has also made arrangements for a Shrine Costume Ball and Monthly Shrine Luncheons, full details of which are in this notice.

This is fine. The Nobles crave entertainment. However, he must have the assurance and co-operation of the entire Nobility to put across the kind of a program he is contemplating for the year. So, let's get behind him and keep the "old machine in high."

First in importance is NEW MEMBERS, and a lot of them. You have heard this before. But, it is still true. A GOOD ORGANIZATION. A GOOD CEREMONIAL. A GOOD HEALTHY GAIN, and A GOOD TIME FOR ALL, depend on NEW MEMBERS.

The offices of Aleppo Temple, at 1320 Statler Building, are open from 9:30 A.M. to 4:00 P.M. except Saturdays—when they are closed at 12:00 noon. Nobles and visitors are always welcome. 13th floor. GOOD VIEW. GOOD AIR. GOOD FELLOWSHIP.

Golfers! Golfers! Golfers! "ARE YOU A DUFFER?"

A Committee is being formed to make arrangements for golf activities for the coming summer season.

There will be plenty of golf, fun and fellowship for all who participate.

Spend a few balmy afternoons with Brother Nobles on the Greensward.

Get out the old War Clubs. It won't be long now.

Watch for further details in the May Ceremonial Notice.

In Memoriam

Passed within the Unseen Temple

From January 1, 1931, to February 28, 1931

*The land must, indeed, be wondrous fair,
Since our Brothers choose to linger there,
While we pitch our tents in the desert here;
But we do not sorrow, we do not fear,
Yet a little while and our race is run,
And we'll steal away with the setting sun
To the land where the crystal waters flow,
Where the beautiful Palms of Allah grow.*
